Excellent and highly professional service

I approached A Y & J Solicitors after a visit from the UKBA. The service I received from them was highly efficient and professional. The level of expertise, was a notch above all the other companies I had used. I have had a positive result from our representations to the UKBA allowing me to keep my Non resident labour. I cannot thank them enough for their service. I would highly recommend to anyone who would like a review of their Sponsor Compliance etc.
